

DILG launches Seal of Good Local Governance

After the successful run of the Seal of Good Housekeeping (SGH) by the Department of the Interior and Local Government (DILG) comes the Seal of Good Local Governance (SGLG) or Pagkilala sa Katapatan at Kahusayan ng Pamahalaang Lokal which was launched during the Good Governance Summit at the PICC in Manila.

DILG Secretary Mar Roxas said that the SGLG, which originated from the SGH program in 2010, is introduced to provide greater challenge to our local governments to continue good governance practices while providing better services.

SGLG's predecessor, the SGH, only measured the levels of compliance to the Department's Full Disclosure Policy, particularly in the areas of budget, revenues and procurement, among others, having no adverse COA findings, as well as meeting the requirements of Anti-Red Tape Act.

"Panahon na para itaas ang pamantayan ng good local governance mula sa balangkas ng matino at tapat na pangangasiwang pinansyal. Tunay na napakahalaga nito --- ngunit kulang sa pagsukat ng kung ano ang makabuluhan para sa mamamayan," said Roxas.

According to the DILG Secretary, a total of 1,372 LGUs or close to 84 percent of the total number of LGUs, have already met the minimum requirements of good housekeeping, which only shows their readiness to take on more challenges.

"Ibig sabihin, handa na ang karamihan ng mga LGUs para sa mas mataas at malawak na pamantayan ng good local governance" he said. (continued at page 3)

With the introduction of the SGLG, Roxas said the DILG aims for a condition where LGUs do not only sustain the practice of accountability and transparency (Good Financial Housekeeping), but are also able to prepare for the challenges posed by disasters (Disaster Preparedness), and are sensitive to the needs of vulnerable and marginalized sectors of the society (Social Protection),” he said.

Moreover, the SGLG drives LGUs to encourage investment and employment (Business-Friendliness and Competitiveness); protect the constituents from threats to life and security (Peace and Order); and safeguard the integrity of the environment (Environmental Management), he said.

For an LGU to become an SGLG recipient, an LGU needs to pass all the three (3) core assessment areas – Good Financial Housekeeping, Social Protection and Disaster Preparedness, and at least one from the

essential assessment areas – Business-Friendliness and Competitiveness, Peace & Order or Environmental Management.

The LGUs which will meet the minimum criteria shall not only be conferred with the SGLG, but will also be entitled to a package of incentives, such as the Performance Challenge Fund (PCF) and access to other national performance-based programs.

For LGUs that do not make the mark, Roxas said the Department will provide capacity development interventions to help them earn the Seal.

“Walang iwanan. Tutulongan natin silang maiangat ang kakayahan ayon sa pamantayan ng SGLG sa pamamagitan ng capacity development assistance ng DILG at Local Government Academy (LGA)” he said.

To be implemented annually starting this year, the SGLG will cover all provinces, cities and municipalities. The DILG with partner organizations shall select qualified LGUs starting on the third quarter, while the awarding shall take place in October of each year.

“The SGLG symbolizes integrity and good performance of local governments. Let it be a continuing challenge for provincial, city and municipal governments to do better today and in the years to come,” said Roxas. (DILG PACS)

DILG LUPO re - launches Continuing Knowledge & Skills Enhancement Training Program

Kultura Splash Wave, Pugo, La Union – “We cannot give what we do not have. The persistent concern of our field officers is inadequate technical skills when providing assistance to local government units. This training is our response.”

This was the bold statement of OIC - Provincial Director Paulino G. Lalata, Jr. of the Department of the Interior and Local Government (DILG) La Union Provincial Office in his welcome remarks during the Opening of the Continuing Knowledge and Skills Enhancement Training Program for DILG LU Personnel. He reiterated his message when he quoted what Secretary Mar Roxas said during their meeting, “Lamang ang may alam.”

The Training program aims to continue the provision of knowledge and skills enhancement activities to capacitate its personnel. The DILG La Union Provincial Management recognizes that this is one of the primary strategies of the Office to fully and effectively respond to the needs and demands of the twenty – one (21) Local Government Units (LGUs) of the Province.

It is also one of the vital ways where the appropriate and timely information and skills will be communicated to enable DILG La Union personnel to give the appropriate information and necessary technical assistance in the execution of various programs, projects and activities (PPAs) of the Department at the local level.

Assistant Regional Director Julie J. Daquioag, the Officer – in – Charge of the DILG Region 1 commended the DILG LUPO “for being the first in the Region, for this quarter, to conduct such activity.” She encouraged each one to share their inputs and feelings to make the activity very fruitful. ARD Daquioag, also shared what Secretary Roxas said during their meeting, saying, “What you are doing right now (this training) is 50% motion, these are our means, our strategies. The other 50% is movement, the direction and the effective delivery of service and the achievement of result.” She also challenged everyone to “know your data, know your LGUs and be very familiar with the details, with the specifics.”

For this quarter, information on the Volunteer and Citizenship Program (VCP), Regulatory Simplification for Local Government (RS4LG) and the Enhanced Full

Disclosure Policy (FDP) and Skills-Enhancement on the Intranet System and Barangay Officials Information System (BOIS) are among the critical PPAs imparted to the DILG La Union personnel during the two – day training.

Moreover, members of the re-organized Provincial Special Project Development and Management Team (SPDMT) and all field officers were informed and coached on the completion of Grassroots Participatory Budgeting Process and Performance Challenge Fund (PCF) Project site validation, including role delineation and report requirement of said programs. (LGOO VI Lily Ann O. Colisao)

BARANGAY HEALTH WORKERS

ISSUE:

Can the Punong Barangay replace the incumbent Barangay Health Workers (BHWs)?

OPINION:

Yes, the Punong Barangay can appoint a new BHW instead of reappointing the incumbent BHWs. However, this should be taken in accordance with DILG Memorandum Circular No. 2010-147, December 13, 2010, where the Punong Barangay can only appoint a new BHW provided that the incumbent BHW is proven that he / she is not performing effectively his / her duty. And in addition thereto, the Punong Barangay can only appoint a BHW duly accredited by National Agencies concerned and had gained sufficient experiences in the performance of his / her job.

APPOINTEE BARANGAY OFFICIALS

ISSUE:

What is the Status of Barangay Secretary and Treasurer appointed by the previous Sangguniang Barangay?

OPINION:

With the change of barangay administration come noon of 30 November 2013, the issue with regard to appointive barangay officials is not removal but expiration of term of office considering that they are co-terminus with the appointing authority (DILG Opinion No. 102, S. 2007).

In case the new Punong Barangay reappoints them, there is a need for an issuance of a new appointment which should comply with the requirements provided for under the Local Government Code and its Implementing Rules and Regulations, that is, appointment by the Punong Barangay and concurrence or approval by the majority of all members of the Sangguniang Barangay.
